REVIEWS

Great experience and a great time. Everyone was very good to be around and were very welcoming. The hunt was really fun and the lodge experience was perfect. Chef's food was top notch, the guides were great and they all showed us the ins and outs of the hunt and got us prepared. I would recommend anyone do this - the experience was awesome. Thanks again!

The team is the best of the best. Great accommodations, excellent food and phenomenal hunting. Their focus on service and expertise in hunting make for an exceptional hunting experience. We look forward to planning another hunt soon!

Unbelievable, this is first rate hunting with the best dogs and staff. You will absolutely not be disappointed. The staff is amazing and could not do more to take care of us and make us feel at home. The moment you take off to go on the hunt, you will know it is worth every dollar. We are going back to do it again.

Great experience, period. I was looking for a short and well-priced hunt without lots of bells and whistles and this was it! (Although they can really roll out the red carpet if you want.) Our guide delivered the perfect level of introduction to what we were going to be doing by making the instruction simple and clear. The hunt was a little slow finding the game, (remember guys it's still hunting) but once we found targets (and we found MANY) things got exciting really quick!
